## SENIOR CLASS ADVISERS

MRS. FLOE H. WALKER

MR. JAMES W. KING

## DEDICATION

As a result of the wise counseling and helpful assistance of our advisers during the past four years, our Class has achieved a record worthy of commendation. In recognition of their supervision we, the Class of Nineteen Hundred and Fifty-one, most respectfully dedicate this, the thirty-fourth edition of the **Echo**, to our class advisers, Mrs. Floe H. Walker and Mr. James W. King.

# Foreword

Memories of golden days—  
Studies, plays, and dances,  
Following the newest craze,  
And all the late romances,

Color Day and basketball,  
Snapshots of the crowd,  
Proms, exams, and study hall,  
Freshmen, meek and mild,

Clubs and choirs, sports and classes,  
Triumphs of the years—

Our **Echo** Staff now here amasses  
As treasured souvenirs.

# CLASS HISTORY

In September, 1947, we, a group of three hundred freshmen, began to climb the ladder of success at C. H. S. Although we were shy at first, we soon began participating in the extra-curricular activities of the school. We had many talented members in our class. Our first social event was the Hallowe'en Party. With the help of our advisers, Mrs. Floe Walker and Mr. James King, we made this party a big success. We elected Charles Kadel president, William Braucher vice-president, Bonita Shields secretary, Margaret Aird and Theodore Foreman treasurers, and Sandra Myers historian.

We continued our ascent up the ladder and became sophomores. We elected Charles Kadel president, Paul Rotz vice-president, Sandra Myers secretary, Diane Rider and Jack Diehl treasurers, and Margaret Aird historian. This year we attended the upper classmen Hallowe'en Party, but our most important social event was Color Day. When we finally gave our song and cheer before the whole student body, our hearts nearly burst with pride. As our president received the banner from our sister class, we felt that we were firmly established on the ladder of success.

In a very short time we took our third step and were juniors. We elected Paul Rotz president, Samuel Gillespie vice-president, Diane Rider secretary, Charlene Jones and Donald McClure treasurers, and Nancy Appenzellar historian. We sponsored several important social events—the Frolic, the Prom, and Color Day. Charlene Jones was maid of honor to the queen, while Doris Ann Sites and Diane Rider represented our class as attendants.

As we reached the fourth and final step of the ladder, we realized we had a great deal to accomplish before we could fulfill our ambitions as seniors. We worked hard on magazine and Christmas card sales and successfully sponsored a number of other activities so that our class might have enough money to go to Washington. We chose Paul Rotz president, Kenneth Washington vice-president, Diane Rider secretary, Charlene Jones and Charles Kadel treasurers, and Delores Garvin historian. We were proud of the record our class had made in both curricular and extra-curricular activities. Although there were only four rungs to the ladder, the space between each is filled with happy memories. Now, perched on the topmost step, we are looking forward to Washington and graduation.

The **Parrot** is a weekly publication of the Chambersburg High School published by the students, for the students, under the guidance of a faculty adviser. The members of the **Parrot** Staff are chosen on the basis of their ability to think and write. The best reward for serving on the staff is the valuable experience in journalism

gained thereby.

The **Parrot** creates its own funds and pays its own expenses and is, therefore, to a great extent self-supporting. The paper is a member of the Pennsylvania Scholastic Press Association, the National Scholastic Press Association, and the Columbia Press Association.

The Library Staff is made up of members from all four classes. These students assist the librarians in giving helpful service to members of the faculty and student body. Their duties consist of charging, returning, and repairing books and magazines; typing; filing; and taking general care of the library. Each member serves one period a day and receives credit according to the amount of work he does. Members re-

ceive rewards for outstanding work, but of more importance to the student is the valuable experience he gains. More skillful use of the library, working with people, and vocational experience are a few of the outstanding values which the individual staff members receive. At the same time the school benefits from the service given by the Library Staff.

The Senior Hi-Y is one of the largest organizations for boys in the Chambersburg High School. This club has been active since 1927. Its purpose is to create, maintain, and extend throughout the school and community high standards of Christian character. Membership is open to all junior and senior boys. Meetings are held on even Wednesdays. The most important projects of the club throughout the year are the sponsoring of a Bible study course and the distributing of Christmas baskets to needy families at Christmas.

The Junior Hi-Y Club is composed of approximately one hundred boys from the freshman and sophomore classes. Like the Senior Hi-Y, it is a Christian organization. Members of the club invite men from the town and community to speak at some of the meetings. At other meetings topics of interest and value to boys are discussed, films are shown, and programs in keeping with the season are presented. During the year delegates are sent to county and regional conferences at the expense of the club. Reports from these delegates are indicative of the fact that the conferences are very interesting and profitable.

Other features of the year include the annual spring hike and picnic and special study and discussions of topics from life problems.

# TRI-HI-Y CLUBS

The Tri-Hi-Y organizations are made up of girls who are interested in promoting high ideals of Christian character and in strengthening and upholding the moral standard of the school. The clubs are divided into devotional, program, finance, hospitality, social, and music committees. Each girl participates actively in the club by serving on the committee of her choice. The organization sponsors discussion meetings as well as recreational and service activities. A

Bible course is planned for eight weeks during the year.

The Senior Tri-Hi-Y has a membership of one hundred and seventy-five junior and senior girls, while the Junior Tri-Hi-Y has a membership of two hundred freshman and sophomore girls. These two clubs are among the largest and most active organizations of the school. Meetings are held on alternate Wednesdays during activities period.

### SCORING RECORD

#### Lebanon 12

Our new and rebuilt team performed well but not well enough to match the powerful Lebanon team. Mike Waters made the only touch-down on a pick-up fumble. Musser added the extra point.

#### Hagerstown 13

The Trojans took their second defeat at the hands of Hagerstown High. The two teams were evenly matched, but an extra point meant the difference between winning and losing for the Chambersburg team.

#### Scotland 6

Finally getting its offensive machine rolling, the Chambersburg Trojans scored a 26-6 victory over the Scotland Cadets. Long runs came thick and fast as Mike Waters, Ed Shatzer, and Bill Nitterhouse each got away on a long romp.

#### Shippensburg 6

The Shippensburg Greyhounds fell before the Trojans by a 40-6 count. Gary Steger scored twice; Nitterhouse, Waters, Shatzer, and Walters each tallied once. Anspach booted four extra points.

#### Hershey 20

The Chambersburg Trojans ran over the out-classed Hershey eleven by a 43-20 score. Mike Waters trotted in to the end zone for four touch-downs, one of them a beautiful 72 yard run.

#### Hanover 7

Mike Waters ran wild as the Trojans blasted Hanover by a 39-7 score. Waters ran a kickoff for 85 yards, then took another hand-off and raced 80 yards for a score.

#### Gettysburg 6

Red Walters and Mike Waters plus a safety gave the Trojans a 22-6 victory over the Warriors of Gettysburg.

#### Waynesboro 0

The Trojans had their football team running automatically and ran over Waynesboro on a wet and slippery field. Earl Burns, Norbert Kneavel, Stanley Teal, and Mike Waters tallied the TD's.

#### Carlisle 6

The Trojans lost a heartbreaker at Carlisle by a 6-0 count. The game, a very fine one, saw-sawed back and forth all evening. In the final quarter Jack Geiling snatched the ball from Ed Shatzer and went over for the only score of the evening.

#### Mechanicsburg 13

Coming from behind, the Trojans dumped Mechanicsburg's conference hopes as they beat them 14-13. Waters scored two TD's to take the conference scoring title again. Anspach converted both important extra points.

The Chambersburg Trojans copped their eighth straight conference championship this year by beating Hershey High 68 to 48 in a play-off for the South Penn Conference Championship.

The Trojans had one of their best seasons, winning 21 and losing only 1 game. Their only loss was to Hershey, whom the Trojans later defeated twice. With the exception of Hershey, Chambersburg had little trouble in the confer-

ence, holding their rivals to 37 points per game while scoring 69 points per game themselves.

The Trojans set a new conference record by scoring more than 900 points. For the entire season the Varsity scored more than 1400 points, which is a record for a Chambersburg team. Leading the team in scoring was Ben Walker, who took the conference scoring championship with a 17.8 point average per game.

The Chambersburg High School Junior Varsity under the supervision of Coaches Vance Snyder and Jack Fisher lost all five games this year. Despite the fact that they had a losing season, some of the players showed promise of adding strength to the varsity within the next year or two. These boys gained valuable experience and have a start toward one of the most important factors in sports—good team work.

The Junior Varsity was handicapped by the fact that their players were limited to freshman and sophomores, while their opponents permitted members of the junior class to play, thereby gaining the advantage.

Throughout the year the girls of this organization attend Play Day at other schools and are hoping to sponsor a Play Day at the Chambers-

burg High School. Members also direct such individual games as bowling, shuffleboard, ping-pong, and bean bags. All activities are set up on a point system. There are four emblem awards, each one being worth one hundred points. These points are cumulative over four years of high school and are made at the end of each school year at an award assembly.
